

# MERCURY MAKES WRECKS NOT CURES

Thousands who have had their health ruined by Mercury testify that it makes wrecks instead of cures in the treatment of Contagious Blood Poison. While it may mask the disease in the system for awhile, when the treatment is left off the trouble returns with renewed violence, combined with the disastrous effects of this powerful mineral. Mercury, and Potash, which is also a common treatment for Contagious Blood Poison, eat out the lining of the stomach and bowels, produce chronic dyspepsia, cause the teeth to decay, make spongy, tender gums, affect the bones and muscles, and leave its victims complete physical wrecks. Another effect of this treatment is mercurial rheumatism, the worst and most hopeless form of this disease. There is but one certain, reliable antidote for this destructive poison, and that is S. S. S. It is the only medicine that is able to go into the blood and cure the disease permanently. S. S. S. does not hide or cover up anything, but so completely drives out the poison that no signs of it are ever seen again. S. S. S. is made entirely of roots, herbs and barks, and while curing Contagious Blood Poison, will drive out the effects of any mineral treatment. We offer a reward of \$1,000 for proof that S. S. S. contains a particle of mineral or any medical advice wished furnished without charge.

Croup is quickly cured, and whooping cough will not "run its course" if you use the original Bee's Laxative Honey and Tar. This cough syrup is different from all others because it acts on the bowels. You can not cure croup and whooping cough until you rid the system of all congestion, by working off the cold through a copious action of the bowels. Bee's Laxative Honey and Tar does this, and cures all coughs, croup, whooping cough, etc. No opiates. Sold by Stone & Mercer.

## Strong Evidence Of Faith

Sturm & Wilson Guarantee That Hyomei Will Cure the Worst Case of Catarrh in Clarksburg.

When one of the most reputable druggists in Clarksburg guarantees that a medicine will effect a cure or they will refund the money, it speaks volumes as to the merits of that remedy. It is in this way that Sturm & Wilson are selling Hyomei, the treatment that has made so many cures of both acute and chronic cases of catarrh in Clarksburg and vicinity.

Hyomei is not a pill, nor is it a liquid that has to be taken with a tablespoon or wineglass. Just breathe it by the aid of an inhaler that comes with every outfit, and benefit will be seen from the first treatment.

The complete Hyomei outfit costs but \$1.00, and includes an inhaler, dropper and sufficient Hyomei for several weeks' treatment. Remember that if Hyomei does not cure you, Sturm & Wilson will refund your money. This is a good time to cure catarrh by this natural method and prevent catarrhal colds that are so common at this season.
